# IABSCON-2024

## XII<sup>th</sup> Annual International Conference of Indian Academy of Biomedical Sciences

**Theme: “Advances in Biomedical Research: Strategies & Applications”**

**23<sup>rd</sup> to 25<sup>th</sup> February**

**Venue: Auditorium, All India Institute of Medical Sciences, Patna**

Dear Colleagues & Friends,

It gives us immense pleasure to inform you that XII<sup>th</sup> International Conference of Indian Academy of Biomedical Sciences (IABSCON- 2024) on “Advance in Biomedical Research: Strategies and approaches”, is being organized by the Department of Biochemistry at All India Institute of Medical Sciences-Patna (AIIMS-P), from 23<sup>rd</sup> -25<sup>th</sup> February 2024.

On behalf of organizing committee, I invite you to present your work in the field of biomedical research as an “Invited Speaker” during the conference. The conference will provide an international forum for scientific interchange across multiple disciplines focusing on latest updates in the field of biomedical research with both translational and basic approach.

### Themes Encompass

- |  |   |
|--|---|
| (a) Neurosciences & associated diseases              | (b) Cardiovascular & respiratory diseases |
| (c) Metabolic and Lifestyle diseases                 | (d) Infectious diseases                   |
| (e) Cancer Biology                                   | (f) Nanotechnology                        |
| (g) Laboratory Medicine                              | (h) Genomics and Proteomics               |
| (i) Personalized Medicine                            | (j) Immunology                            |
| (k) Any other aspect related to biomedical sciences. |   |

### Key Sessions

- |                                  |   |
|----------------------------------|---|
| (a) Key Note Address             | (b) Plenary Lectures                    |

| (e) Young Investigator colloquia | (f) Award Presentations                 |

The event aims to bring together more than 500 participants including internationally renowned researchers and clinicians in their field from all over India and abroad. The main objective of this conference is to encourage the exchange of scientific information on frontier discoveries and innovation on human implication in biomedical sciences.

Kindly accept our invitation and confirm your participation by registering for the conference. Also send an abstract, tentative title of the talk along with a brief CV through website for the conference.

We sincerely hope the blend of pleasant weather, warm hospitality and revitalizing social evenings will enhance the scientific environment.

We look forward to your participation in the conference which aid to the success.

Warm regards,

Yours sincerely,

Organizing Team

## ABOUT IABS

In order to promote translational research, the Indian Academy of Biomedical Sciences (IABS) was established with the vision, keen interest, and efforts of various scientists from India and abroad. The main objective of the academy is to disseminate knowledge and academic excellence in the field of biomedical sciences. The academy is registered under the Societies Act 1860 of the Government of India (No.2826-2011-2012). The IABS organizes CMEs, Workshops, Symposia, throughout the year at different places, and an Annual International Conference with the primary aim to foster collaboration between clinicians and scientists to promote biomedical research and innovations and academic excellence in the field of Biomedical Sciences.

## AWARDS

The organizing committee of **IABSCON 2024** has decided to give different awards to encourage the participants. The last date for applications for these awards is **31<sup>st</sup> December 2023**. The categories are mentioned below:

- 1. Young Scientist Award (three):** Young scientists, faculties, researchers, and clinicians below 45 years of age can apply for this award under the oral presentation category (shall be mentioned during submission of the abstract). The award will be presented on the basis of the scientific merit of the work, along with the presentation made during the oral session.
- 2. Best poster Award (three):** All the participants in the poster session will be eligible for this award, which will be judged on the basis of scientific merit and presentation during the poster session.
- 3. Travel Award (ten):** A travel grant of up to INR 5,000/- or reimbursement of the travel fair (whichever is less) will be provided to the students and fellows who are below 35 years of age and are applying for the poster session. The selection will be based on (i) early registration, (ii) the scientific merit of the work, and (iii) a recommendation or forwarding note from the head or mentor, or competent authority with whom the student or researcher is working. An ID proof (from the university or institute where they are working) must be attached.
